

## STUDY REQUESTS

The Conservation Groups join in the information and study requests submitted by the resource agencies, and also submit the following additional study requests, attached hereto as Appendix A and incorporated herein by reference:

1. Development of Decision Support Tools to Evaluate Potter Valley Project Decommissioning Alternatives
2. Quantification of Impacts of Reduced Diversions through the PVP on Regional Electrical Power Supply and Downstream Water Supply
3. Effects of Climate Change on Hydrology and Stream Temperatures in the Mainstem Eel River Basin
4. Recreation Facilities Assessment and Recreation Opportunities Study
5. Whitewater Boating Study
6. Investigation of Sediment Contamination and Bioaccumulation of Hazardous and Toxic Constituents in Aquatic Organisms
7. Assessment of Anadromous Fishery Potential Upstream of the Potter Valley Project
