

PG&E

7/12/17

Impromptu Call

James Gore

Katie Davis Grant

David Mollen Pam

Heart of matter:

1st half last year, SCWA/PG&E future of PVP, possible SCWA ownership, dialogue ended w/ SCWA not able to go forward

PG&E now believes ^{there is a} way to reduce ^{or eliminate} cost risk, but to do so, would need to transfer to SCWA

Open to exploring?

D.M. Absolutely new information that led to this

D.M. Can start discussing in next week or two.

DM thoughts about fish passage

JG No commitment, but ok to meet

KD conversation helps PG&E create a solution

DM face-to-face mtg needed, loop back to schedule mtg w/ Grant/James

Water Contractors would have to be ok

Annotated Transcript
