Impromptu Call

Heart of matter:

1st half last year, SCWA/PG&E failure of PVP, possible SCWA ownership, dialogue ended w/ SCWA not able to go forward

PG&E now believes a way to reduce cost risk, but to do so, would need to transfer to SCWA

Open to exploring?

D.M. Absolutely new information that led to this
D.M. Can start discussing in next week or two

DM. Thoughts about fish passage
JG. No commitment, but ok to meet

KD. Conversation helps PG&E create a solution
DM. Face-to-face mtg needed, loop back to schedule mtg w/ Grant/James

Water Contract terms would have to be ok
Annotated Transcript

explanatory notes in blue
